# CHRISTMAS MUSICAL

UPCOMING EVENT!!!

# Jesus

THE GREATEST GIFT

# SUNDAY, DECEMBER 20, 2015 @ 9:00 A.M.

## FAVOR

- First, I want to thank God for His covering and blessings. God is the success of my children. Not only spiritually, but in school and sports as well. God has blessed Jermaine and Mya to both make nationals in football, and cheer. Not only did Jermaine's team win the state championship, he also made his second straight all-star game and second straight MVP honor. To God be the Glory!
- Thank God for blessing my football team to finish the season undefeated. We have had an overall record of 35 wins and zero losses in a three year period. This month, we will play in the Northern California Division Championship in Kissimmee, Florida. We always pray before we play each game. I am thankful to God for keeping us safe while we play.

## **PRAISE REPORTS** **DECEMBER 2015**

### HEALING

- My Brother had been hospitalized with sickle cell for two weeks and lost use of his limbs. We received a Prayer Handkerchief from Pastor and laid it on him. Within 24 hours of receiving the handkerchief my brother regained use of his limbs and was released from the hospital. Thank God for His healing power.

## FAVOR

- I just want to thank God for delivering me out of a lease that would have cost me \$3500.00, and would have showed up negatively on my credit report. Praise God.

## JOB BLESSING

- I want to give God the Glory for the outpouring of His blessings towards me. The Lord has been gracious to me and provided me favor at my job. Not only did He grace me with all outstanding marks on my performance review that locked me in as a permanent employee, but He also has increased my salary with a raise by ten percent. All Glory and Honor to our Lord Jesus Christ.
- I just want to thank God for blessing me with a job at the VA Hospital, as a licensed vocational nurse with full benefits. I once and was

Denied. After that, I came to church and received prayer. I then applied a second time, received an interview, and within a month and a half, I got the job. All Glory to God.

- Giving all Glory, Honor, and Praise to the Lord for His favor concerning my certification in phlebotomy. I just received my CPT 1 License in October. In November I was offered a job in the lab at the current hospital where I've been working for the past 5 years. It was nothing but the Grace of God that allowed me to transition so smoothly and quickly between departments. Thank you Lord Jesus.
