“Understanding the Power God Has Given To Us Through the Blood of Jesus”

- 1. Hebrew 9:19-22.**
- 2. For man to be ransomed, from the consequences of the disobedience, in the Garden of Eden, there had to be a higher sacrifice. And the greatest currency for the exchange, of the sin of man is the Blood of Jesus. There was nothing else that could bring man back in relationship with His Maker. Unbeknownst to satan, God had a plan for the redemption of man, through His Son, Jesus Christ.**
- 3. This has been a constant fight between the King and the powers of darkness, trying to destroy man’s soul. Every weapon or oppression, that the enemy has collected to destroy man, has been defeated by the Blood of Jesus.**
- 4. The moment we understand the power we possess; our Prayers will take a different dimension.**
- 5. 2 Cor 10:3-4 – The Blood of Jesus is our weapon for warfare. Every time we plead the Blood of Jesus; we are reminding the devil of his defeat on the Cross of Calvary. It is a painful memory of how he was stripped naked of his power, by the Blood of Jesus. He wants it erased, because it reminds him and he knows his time is near.**
- 6. Every time we plead the Blood, we enforce Satan’s defeat when he comes against our finances, our health, our peace, our relationships, attacks of the mind, and every form of evil work directed toward our life.**
- 7. Whatever the Blood is pleaded on, the enemy has no choice, but to avoid that thing! The Blood is a mark of defeat for satan. Ex 12:7, 12, 13**
- 8. The absence of the Blood of Jesus on your life makes you a helpless victim of satanic attacks. But the Presence of the Blood on your life makes you untouchable personally, to the kingdom of darkness. THE BLOOD SAY DEVIL STAY AWAY!!!**
- 9. THE BLOOD SPEAKS, Heb 12:24 – THAT IS WHY WE MUST CONFESS TONIGHT THE PRAYERS GOD HAS GIVEN US. SPEAK TO THAT THING – WHATEVER IT IS!! EXAMPLE: SPIRIT OF DEPRESSION YOU HAVE TO RIGHT HERE.**
- 10. We can also use the Blood to make declarations concerning our lives. As we will momentarily.**
- 11. First, we must cleanse ourselves.**

THE CLEANSE

Dear Lord, I appreciate you for the power of the blood of Jesus freely given to us through the sacrifices of your Son on the cross of Calvary, so that I can constantly be purified from my sins to you be all the glory and the honour in the mighty name of Jesus.

Father Lord, I want to appreciate you for the power of the blood of Jesus that gives me access to come into your presence and to pray the prayers of the blood of Jesus.

Heavenly Father, thank you for the release of your Son as a living sacrifice for my sins so that I can obtain mercy through the blood of Jesus be glorified Lord, in Jesus name.

Holy Father, I come before you today and I make demands for the blood of Jesus to cleanse and purify me at this moment in the name of Jesus.

Holy Father, I thank you for the power of the blood of Jesus because I know that

there is no sin that is too hard for the blood of Jesus to cleanse. I make demands for the cleansing power of the blood of Jesus from my body, soul, and spirit in the name of Jesus.

Glorious Father, any sin that can stand between me and you so that my prayers are hindered, I make demands for the cleansing power of the blood of Jesus to cleanse that sin now in Jesus name.

Holy Father, any voice that is speaking against me and making accusations before your throne for my errors, mistakes, and sins, I asked that the blood of Jesus which speaks better things than the blood of Abel will speak for me now in the name of Jesus.

Glorious Father, I plead the blood of Jesus over my entire prayers from the beginning to the end in the name of Jesus.

Heavenly Father, every distraction that the enemy intends to fire into my prayers

of the blood of Jesus, I make use of the same blood at this moment and I resist that distraction in the name of Jesus.

Holy Father, I make demands that the blood of Jesus would blanket me and my prayers at this moment in the name of Jesus.

Heavenly Father, by the power of the redemptive blood of Jesus I am purified from all iniquities in the name of Jesus.

Holy Father, I make demands at this moment that any disobedience that can hinder my prayers, I pray for mercy and I make demands that the blood of Jesus which speaks better things than the blood of Abel will be made available for me in the name of Jesus.

Thank you, Holy Father, for the power of the blood of Jesus that has cleansed me from all unrighteousness and iniquities and granted me access into the holies of holy so that my prayers of the blood of

Jesus would be effective. Receive all the glory and the honour in the name of Jesus.

Sudden Events

I believe you have probably had this kind of experience where you would see somebody today, and tomorrow they tell you the person is dead. While this may be a surprise to you, in the realm of the spirit there is nothing that is a surprise. These are all sudden events that have been planned and orchestrated in the realm of the spirit so that an attack can manifest in the life of an individual by surprise. The person might be doing okay today, and tomorrow you hear that he had a heart attack and passed on. Sudden events in the life of people are not limited to the attack of death alone. It can also be an attack against the health of an individual. Or even the finances of a person. He may be doing well financially then all of a sudden, everything seemed to have

Prayers against marking

Marks in the realm of the spirit and the physical are very important factors. When God wanted to distinguish Cane so that his life will be untouchable by anyone who crossed his path, he placed a mark upon his forehead. That Mark attracted the preservation of God upon the life of Cane to fulfil a divine punishment that has been handed down by God upon him.

In the same vein, the devil can place a mark upon the life of a person for a particular dimension to become a reality in his life. The emblem can be a mark of a covenant that was entered into generations past. If the devil intends to ensure that the particular generation continues to suffer from an evil occurrence, he places a mark so that anywhere that generation is found, that covenant will continue to manifest in their family line. Unless that Mark has been erased by the

blood of Jesus, the purpose for which the mark has been placed by the enemy will continue to be fulfilled. And it is very easy to identify markings that the enemy has placed upon the life of a person. The easiest is a revelation from God. And you can also recognise a mark by what is happening in your immediate environment either through a family or yourself. If the mark is a generational one, it becomes even easier to identify it. For anyone who comes from a particular family line, certain things must happen to him. Other people won't suffer what the family goes through, except it is a member of that family. This is a clear indication that the mark upon the life of that family line has been attracting that particular experience. However, no matter how engraved the mark has been upon your life or the life of your family, we have been given the greatest eraser, the power of the blood of Jesus that can delete the strongest marks ever made either spiritually or physically.

Friends, one of the reasons why you must never take for granted the effect of markings is that they can attract certain demonic spirits into your life. If a person has been marked by cancer, the spirit of cancer will be attracted to the life of the person naturally no matter where the person might be. The thing is spiritual, not physical. Anything that has its roots in the spirit realm, must be dealt with in the spirit realm. And whenever something has its root in the realm of the physical, you can choose to deal with it in the realm of the spirit, and complete the rest in the realm of the physical. Since the realm of the spirit is far greater than the realm of the physical. And the spiritual, as we all know, control the physical. If the marking that the person carries on his body is that of death, the spirit of death will be attracted to the life of that individual. Death will be calling that individual where ever he goes. The reason why death will be going after him is simple, there is a mark that brings the spirit of

death into the life of that individual. So whenever death is passing by even if it is on a mission to another person, and it sees that individual upon whose body the mark is there, the person can become a victim of an attack. Remember what the Bible says, that where the carcass is, there will the eagles be gathered. So wherever there is a mark upon the life of the person, there will the spirits that are related to that mark be gathered. The good news is, whatever tool that they have used in the realm of the spirit to mark your life, the power of the blood of Jesus can delete and cleanse it. The blood of Jesus does a good job at cleaning, and it will leave no trace of that mark. Isn't it amazing? I believe it is.

Reflection

*From henceforth let no
man trouble me: for*

*I bear in my body the

Prayers

Dear Lord, I want to thank you for the privilege of the blood of Jesus that has been freely given to me for my battles and deliverance to you be all the glory and the honour in the name of Jesus.

Lord, I want to praise your name for the opportunity given to me to come before your throne of grace and to deploy the power of the blood of Jesus for the cleansing of every negative mark that has been

placed upon my life by the enemy. Thank you, Lord, in Jesus name.

Lord, I stand before you today to give you all the praise, glory, honour, adoration, Thanksgiving, and magnification for the power of the blood of Jesus at this moment to you be all the glory and the honour in the name of Jesus.

Heavenly Father, every marking upon my life that has been used to attract all sorts of spirits. By the power of the blood of Jesus, I delete those marks right now in the name of Jesus.

Holy Father, every marking that is upon my life placed by the kingdom of darkness that mark is cleaned out by the power of the blood of Jesus.

Gracious Father, all marks that the devil is using to hold my life to ransom at this moment I erased those marks and their effects over my life by the power of the blood of Jesus.

Holy Father, every mark that is serving as a point of a covenant between me and the generation of my family line, by the blood of Jesus the power of that mark is broken.

Gracious Father, I stand upon your word at this moment which says that the blood of Jesus speaks better things than the blood of Abel. I make demands at this moment that the blood of Jesus will continue to speak total deliverance for me and my family over every mark of the enemy in the name of Jesus.

Heavenly Father, anything that the enemy is laying claim to as a result of that mark that is upon my life, I remove those marks by the power of the blood of Jesus.

Every mark that is causing poverty in my life, I delete you by the blood of Jesus.

Every mark that is causing stagnation in my life, I delete you by the blood of Jesus.

Every mark that has made my hands into a basket so that every resource that enters into my hand, escapes without a clear explanation of how it happened, I delete you by the blood of Jesus.

Every mark that is responsible for the wastage of life in my family, I delete you by the blood of Jesus.

Every mark that has prevented my destiny helpers from connecting to me so that I will get to where God wants me to be, I delete you by the blood of Jesus.

Heavenly Father, as the blood of Jesus has washed away and cleansed all the marks that have been causing problems in my life, those marks will never have any form of influence or impact upon my life because you have said in your word that affliction shall not arise again the second time in the name of Jesus.

Thank you, Dear Lord, for the power of the blood of Jesus made available to me

for the erasure of every mark of the devil,
receive all the praise and the honour in
the name of Jesus.

Prayers for the mark of the blood over your home

One of the powerful ways to ward off all the attacks of the enemy against your home is to make the markings of the blood of Jesus. What you are simply doing when you are applying the marks of the blood of Jesus is to make your home a danger zone for the enemy. The Bible says whenever I see the blood, I will pass over you, no destructive plague will come upon you when I pass the land of Egypt. How do you mark your home? By creating the marks of the blood over your home and your environment.

Prayers for the blood against the Strong Man

Mark 3:27

*No man can enter into
a strong man's house,
and spoil his goods,
except he will first bind
the strong man; and
then he will spoil his
house.*

A strong man is any person or spirit strong enough to prevent the occurrence of an event or cause an event to occur. And it is very easy to recognise the presence of the strong man in any situation. Whenever you recognise that the battles of your life have become so strong and you have done all that you could including prayers and fasting and things

remain the same, a strong man may be behind what you are going through. Since you didn't know that the strong man was responsible for what you are going through, the spiritual technique you need to use to have him bound is unknown to you. If the strongman is in any family, an evil person responsible for enforcing the patterns of darkness in the life of that family until he is bound, the battles of the family continue.

In some situations, the strong man can be physically known as someone responsible for causing the death of loved ones or a mishap in the family. In certain situations, a strong man could camouflage himself and be very kind-hearted to the members of the family so that his identity cannot be discovered. To cover his tracks, he could be one of the kindest persons that you can ever have in that particular family showing all forms of kindness. If the person is accused of causing the death of anyone, it will be

doubted. But this is all a cover-up to ensure that the activity of the wicked man is not discovered. It is very important when battles become too challenging to enquire from the Holy Spirit what is responsible for it.

A strong man is behind what you have been going through. And as the Bible points out, unless you bind the strong man, you cannot spoil his goods. I want to dwell on what the Bible says goods. Whatever the devil recognise as goods, are the objects of wickedness. So what are some of these goods that you need to spoil? It could be a financial attack. Oppression. Relationship attack. Attack of limitation. Evil altars, a seasonal manifestation of wickedness, and so on. And even altars that have been programmed to manifest at certain seasons of your life when good things are about to happen so that the good things will be stopped. These are some of the goods of the strong man and the moment you bind him, you

can destroy everything that he has or as the Bible tells us his goods. Anything negative that the strong man is responsible for is his goods.

Nothing is a mystery once it has been uncovered. From the day you understand the power of what has been attacking your life that is the day that you receive your freedom. The mystery behind what has been responsible for some of the toughest issues of your life has been unravelled as a result of that revelation that you have received so you fight your battles from the standpoint of understanding. It ceases to be mysterious.

One of the greatest personalities that the believer can build a friendship with is the Holy Ghost for easy communication and revelation. When you are a friend of the Holy Spirit, it becomes easier for you to enquire from him and know what is responsible for what you are going through. However, many believers

have neglected the aspect of developing a friendship with the Holy Ghost. They seldom spend time at his feet. No friendship, no relationship. At the first sign of trouble, those are the believers that will be spending time in fasting and prayer to know what God has to say on a particular issue. Friends, it doesn't work that way. If God has not been hearing your voice in the time of peace, why should he hear your cry in times of trouble?

Friends, it is important to note that, once you have been able to develop a stable relationship with the Holy Spirit, it becomes easier for your spiritual warfare and deliverance. You will be able to understand how the Holy Spirit works in your life to deliver messages at critical times. No matter how faint the impression may be, you will be able to pick it up as a result of spiritual sensitivity which has been enhanced by the times that you have spent with the Holy Spirit. In simple terms, you have known him, how he

works in your life, and it has become easier for you to recognise every impression that he drops on your heart.

Whether you are plagued by a physical strongman or a spiritual one, they can be bound. That is why the Bible tells us in the book of Matthew 18:18, that whatsoever you bound on earth is also bound in heaven. Look at the rendering of the Scripture, whatsoever. Whether a strongman or a strong woman, a strong boy or a strong girl. The Scripture did not categorise the level of what we are supposed to bind on the earth. Once we can bind it on the face of the earth, heaven recognises it and it's also bound in the realm of eternity.

Step by step approach to binding the strongman

Recognise the strongman

So the first thing is when praying the prayers of the blood of Jesus to bind

the strong man is to first recognise the strongman. Your knowledge of recognition of the strongman can come through diverse means. It could be through physical knowledge, especially where the strongman is known or is someone who has boasted of having carried out attacks in the family or even against an individual. In situations where the strongman is not known, an inquiry from the Lord will solve the issue of the mystery behind the strongman.

Binding the strongman

The moment you have recognised the strongman, the next step that you need to take is to bind him. Of course, this will be done through prayers. For instance, I take authority over the strongman that is responsible for... And I bind him today in the name of Jesus

Spoiling the Goods of the Strongman

This is the final step of the prayers.

Once you recognised the strongman and bound him, you will have unfettered access to his goods. Whenever it is time to spoil the goods of the strongman, you have to be specific. If you have been going through the attack of premature death in your family and you have been able to recognise the strongman behind it, and bound him, be specific in spoiling the goods. In this case, premature death. Address the goods of the strongman directly by binding and destroying premature death.

Reflection

Matthew 12:29

*Or else how can one
enter into a strong
man's house, and spoil
his goods, except he first
bind the strong man?
and then he will spoil
his house.*

Isaiah 49:24-25

*Shall the prey be taken
from the mighty, or
the lawful captive
delivered?*

*25 But thus saith the
Lord, Even the captives
of the mighty shall be
taken away, and the
prey of the terrible
shall be delivered: for I
will contend with him
that contendeth with
thee, and I will save thy
children.*

Prayer

Lord, I thank you for the divine privilege that you have given to me to come before your throne and to pray against the strongman that has been attacking my

life. I am not taking this divine privilege for granted, in the name of Jesus.

Dear Father, I thank you and glorify you for the wonderful opportunity to bind the strongman through the prayers of the blood of Jesus. All the glory and honour be to you in the name of Jesus.

Lord, thank you, for the privilege and the power of the blood of Jesus which I will use in destroying the works of strongman in my life and the life of my family to you be all the glory and the honour in the name of Jesus.

Holy Father, I come before you today recognising that all knowledge, wisdom, and understanding belong to you. I know that there is nothing that is hidden before your eyes because you are omnipotent and omniscient. Therefore, I make demands before your feet at this hour that you open the eyes of my heart to know the strong man that is responsible for the attack... (Mention the particular

attack that you are going through) that I will know how to pray and confront the strongman by the power of the blood of Jesus.

Heavenly Father, thank you because I know that it is impossible for me to come before you concerning any request and for me to be denied. I thank you for the revelation of the strongman that has been responsible for the attacks in my life, be glorified father, in Jesus name.

Heavenly Father, I stand before you this day following the revelation that you have given to me concerning the strongman who has been attacking my life. I bind that strong man today by the power of the blood of Jesus.

Holy Father, every strongman that is responsible for the oppression that I have been experiencing in the dream of the night, I bind that strong man today by the power of the blood of Jesus.

Heavenly Father, every strongman that is responsible for my financial attacks, I stand before you this day and I bind that strongman in the name of Jesus.

Holy Father, every strongman that is responsible for what I have been going through, that strongman is bound in the name of Jesus.

Gracious Father, every strong man that is responsible for enforcing the pattern of infirmity in my life, today I stand before the throne of grace and I declare and decree that the strongman is bound forever by the power in the blood of Jesus.

Holy Father, every negative decree that the strongman has been enforcing in my life from today that strongman is bound in the name of Jesus.

Heavenly Father, I bind every strongman that is responsible for premature death in the name of Jesus.

things are about to happen to me in the name of Jesus.

Prayers for spoiling the goods of the strongman

We are about to spoil the goods of the strongman. The goods of the strongman as we have explained above can be diverse. The good thing is, however strong his goods are, the power of prayer can damage them.

Reflection

Luke 11:21-22

*When a strong man
armed keepeth his
palace, his goods are in
peace:*

*22 But when a stronger
than he shall come
upon him, and over-
come him, he taketh*

*from him all his
armour wherein he
trusted, and divideth
his spoils.*

1 John 3:8

*He that committeth
sin is of the devil; for
the devil sinneth from
the beginning. For this
purpose the Son of God
was manifested, that he
might destroy the works
of the devil.*

Prayer

Dear Lord, I want to appreciate you for the special privilege that you have granted to me to come before the throne of grace and to pray the prayers of the blood of Jesus for the destruction of the goods of the strongman to you be all

the glory and the honour in the name of Jesus.

Lord, thank you for making the blood of your Son a redemptive tool, and a weapon of spiritual warfare. As I deploy it against the strongman today I believe that my victory is sure.

Father Lord, thank you for the release of the blood of Jesus that speaks better things than the blood of Abel against the strongman to you be all the glory and honour in the name of Jesus.

Holy Father, I stand before your throne of grace at this moment and I pray that every tool that the strongman has been using to wage his war of attack against my life and destiny, by the blood of Jesus those tools are destroyed in the name of Jesus.

Heavenly Father, I make demands before your throne of grace at this hour and I pray that every tool of incanta-

tion or warfare that the strongman has been using to carry out witchcraft attack against my life and that of my family, today those tools are destroyed by the blood of Jesus.

Glorious Father, anything that the strongman is using to wage any form of guerrilla warfare against my family or my life, by the power in the blood of Jesus that thing is destroyed.

Holy Father, anyone who has been taken captive either by infirmity, affliction, or poverty caused by the strongman that he has been using as his goods, by the power of the blood of Jesus these captives are free at this moment in the name of Jesus.

Righteous Father, I stand before you today to employ the use of the power of the blood of Jesus for the destruction of the goods of the strongman in the name of Jesus.

Holy Father, every agent of darkness that the strongman has been using in my life for the enforcement of any pattern of darkness, by the power in the blood of Jesus that agent of darkness is bound.

Righteous Father, You have said in your word that you will make an end of the works of darkness. By the power of the blood of Jesus all the goods of the strongman whatever it may be that has been bothering my life, today marks the end of the goods of the strongman in the name of Jesus.

Heavenly Father, You have said in your word that affliction shall not arise again the second time. Since the strongman has been bound, he can never use his goods against my life and destiny anymore in the name of Jesus.

Righteous Father, I stand before you this day and I pray for the release of your judgemental fire against all the goods of the strongman which has been under-

mining my life and that of my family in the name of Jesus.

Gracious Father, any link that the strongman has been using with anyone in my family, by the blood of Jesus that person who has refused to repent, is cut off in the name of Jesus.

Holy Father, let the same manifestation of your power and your glory frustrate the activities of every strongman in my life and destiny in the name of Jesus.

Heavenly Father, You have said in your word that everything that my father has not planted, shall be uprooted. As these goods have not been planted by you but by this evil strongman, they are uprooted by the power in the blood of Jesus.

Glorious Father, I make demands by the power in the name of Jesus in the same way that the fire of the Lord fell upon Mount of Carmel so that everything that was upon the altar was consumed, that is

how I make demands for the judgemental dimension of God to manifest against the strongman and everything he has done against my life and family in the name of Jesus.

Holy Father, You have said in your word that our God is a consuming fire. I make demands at this moment that the consuming fire that proceeds from the Lord will come upon the strongman and all his goods in the name of Jesus.

Glorious Father, everything that is not a complete replica of the glory and the beauty of God in my life which the strongman has brought, they are destroyed by the power in the blood of Jesus.

Heavenly Father, You have said in your word that where the carcass is, there will the eagles be gathered. Anything which the strongman has been using so that other spirits and demons are attracted to my life, they are roasted by fire by the blood of Jesus.

Holy Father, every arrow of darkness that has been fired into my life as a result of the goods or the presence of the strongman, is returned to sender in the name of Jesus.

Thank you, Holy Father, for hearing and answering all of my prayers and spoiling all the goods of the strongman. To you be all the glory and the honour in the name
