DAY 41-47: Monday, September 25 – Sunday, October 1, 2023

The Fire of the Holy Spirit

The Scriptures present us with a variety of visible images which signify the Presence and action of the Holy Spirit. These signs include Wind, Fire, Breath, and Rivers of Living Waters. Signs of fire in Scripture signify in a special way God's Holy Presence, Power, and Glory, as well as the purification and cleaning action of the Holy Spirit.

The Phase "Holy Ghost and Fire" is a Biblical expression that appears in the New Testament. It is used to describe the Baptism of Jesus Christ, which is to be a Spiritual Baptism that involves both the Holy Spirit and Fire. The Holy Spirit is often associated with Grace and Truth, while fire is associated with purification and judgement.

In Matthew 3:11, John the Baptist says, "I indeed baptize you with water unto repentance; but He that cometh after me is mightier than I, whose shoes I am not worthy to bear; He shall baptize you with the Holy Ghost and Fire." This passage suggests that the Baptism of the Holy Spirit and Fire is a more powerful transformative experience than John's Baptism of Repentance.

The exact meaning of this phase has been interpreted in different ways by different Christian denominations. Some believe that it refers to the purifying work of the Holy Spirit in the life of a believer, while others see it as a reference to the Judgement of God. The Spirit is Grace, and the Fire is Truth and These are Inseparable.

Acts shares an account in which the Holy Spirit is symbolized by fire that has become the most well-known reference to the Spirit being like a fire. Acts 2:3-4 (NIV) states, "They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them began to be filled with the Holy Spirit and began to speak in tongues as the Spirit enabled them." In this account, the Spirit appeared visibly like fire as the Church began on the Day of Pentecost.

Hebrew calls God, "A Consuming Fire". In the Old Testament, God appeared to Moses in a burning bush Exodus 3:2. The Glory of God often appeared like a fire, such as during the time the Israelites traveled 40 years in the wilderness (Ex 13:21-22; 14:19-31). Though the Bible often uses fire as a symbol of God's judgement, there are other occasions in which fire is used positively to describe God's Power. Revelations 1:14 describes the Glorified Jesus, saying, "The hairs of His head were white, like white wool, like snow. His eyes were like a flame of fire. "The Holy Spirit's Power can certainly be represented by Fire, yet His Power is much greater than any Flame.

As stated above, God Himself is a Consuming Fire. Fire speaks of God's Presence and Power. It also testifies to His approval of what is occurring. For example, God's power and approval was demonstrated through the fire that came down and consumed the burnt offering that Elijah had prepared. 1 Kings 18:38.

Sin Purged by Fire.

When the Lord has washed away the filth of the daughters of Zion and purged the bloodshed of Jerusalem from her midst, by the Spirit of Judgement and the Spirit of Burning. Is 4:4.

After Isaiah saw the Lord upon His Throne, He had to be purged from his sin with fire.

Then one of the seraphs flew to me with a live coal in his hand, which he had taken with tongs from the Altar. With it he touched my mouth and said, "See, this has touched your lips; your guilt is taken away and your sin atoned for."

Fire can speak of God's Judgement

So, fire came out from the Presence of God and consumed them, and they died before the LORD.

Those who rejected the message of Jesus will be judged by means of fire. The City of Jerusalem, with its Temple was destroyed, by fire one Generation after the coming of the Holy Spirit. The Holy Ghost, His Person and His Work are compared to Fire.

The ultimate destination for unbelievers is the "Lake of Fire. Fire has and will be used by God as an element of judgement.
